

Students will action and respond to challenging learning objectives to show evidence of learning.

All students will respond to questioning and written tasks to ensure they are learning.

Students will communicate their prior knowledge and inform the teacher if they are unsure or unclear about the topic.

Students will support, and be inclusive to, students with different abilities and backgrounds if help is required.

Students will use green pen to respond to teacher and student written feedback.

The Ravensbourne School

TEN NON NEGOTIABLES FOR LEARNING IN LESSONS

Students will contribute to the learning environment and create their best possible work so it can be modelled as excellent practice.

Students will be the best that they can be, to meet their teachers' high expectations and to meet their targets.

Students will study the requirements of the success criteria and mark schemes to ensure they know how to make effective progress.

Students will always challenge themselves in all learning environments including the completion of home learning.

Students should use appropriate punctuation and grammar across the curriculum and also respond effectively to numeracy tasks.
