*'To be the best you can be'*

The Ravensbourne School is seeking to appoint a highly qualified, inspirational and experienced leader to the post of Assistant Headteacher to lead our Post 16.

This is an opportunity for an exceptionally talented colleague to join our School at an exciting stage of its journey. The Ravensbourne School is a school sat in the heart of Bromley. There are 1600 students, with 530 students in Post 16. Some of the buildings are Grade II listed, dating back to 1911 whilst other additions are more recent. The buildings, coupled with the extensive 22 acre grounds, make up elegant and inspiring surroundings.

Our vision is that every student is prepared to be the best they can be in life and able to create their own future. We believe that every student is different and has unique talents. Through developing these talents and knowledge each student can be the best they can be and in control of their own future. We value an inclusive learning environment that accepts no excuses and builds partnerships with all stakeholders.

This is a key strategic post for our School and as such the successful candidate will need to demonstrate a track record of raising standards at Post 16 and the ability to be an active and accountable member of the extended leadership team.

If you share the School's vision and ambition to raise standards for our students then we would be delighted to hear from you.
