

# CAREERS BULLETIN

**16<sup>TH</sup> APRIL 2018**

# AVIVA INVESTORS

- This opportunity is designed for school/college leavers and graduates, who are interested in pursuing a career in **Investment Management**.
- Aviva Investors will place trainees in the following **departments**:
  - **Operations**
    - **Trading**
    - **Controls**
  - **Transform/Project Management**
    - **Technology & IT**

**Closing Date: 30 April 2018**

**Assessment Centres will take place between: May and June 2018**

**Start Date: 10 September 2018**

**Location: London**

- While you may not have an in-depth **understanding** of the investment management industry, this programme will **introduce** you to this very **worthwhile** and **exciting** industry and the variety of roles and **opportunities** it has to offer.

**For more information and to apply to the apprenticeship head to**

# Schroders **INVESTMENT 20/20 TRAINEESHIP PROGRAMME**

- Schroders' traineeship programme is your chance to gain a **year of hands-on**, paid work experience. If you've just finished your A-levels or your BTECs then this programme provides you with a chance to **explore the world of work**.
- As a trainee, you would spend your year working in their offices in **central London**. Schroders trainees quickly learn to enjoy the **vibrancy** of the City and the **opportunities** to explore working life.
- Schroders pay our trainees **competitively**, above the London living wage, which means you can afford to **move to London** for the year.
- During your year you will spend your time working for a **specific team**, however, you will also receive **ongoing training** designed to develop your skills as well as your **technical knowledge** – they support you to take the Investment Foundation Certificate, which is a **professional industry qualification**.

**More information at [investment2020.org.uk](https://investment2020.org.uk)  
CLOSING DATE IS 30<sup>th</sup> APRIL**

## TECHNOLOGY APPRENTICESHIP PROGRAMME

- This is about **problem solving** and providing high **quality solutions** to the business.
- Whether it's **protecting** the business against cyber security breaches or **developing** new programmes, their technology professionals are at the heart of what makes their **business run**.
- Within Technology, the development teams design and develop solutions which touch upon all areas of the business using **ground-breaking technologies**.
- Supporting their developers by providing on-going **professional training**, mentoring and encouraging you to look at how you can **improve** your skills.
- The **Infrastructure teams** are responsible for the hardware, application and network resources required for Schroders to operate globally.
- There is also a **Service Management Team** which is responsible for both the management of IT services and ensuring IT services are delivered by service partners are high quality.

**More information at [investment2020.org.uk](https://investment2020.org.uk)**

**CLOSING DATE IS 30<sup>th</sup> APRIL**

# MIDWIFERY SUMMER SCHOOL

- Once again the Midwifery department at **Canterbury** Christ Church University are holding their annual **2 day non-residential** summer school, taking place at both our Canterbury and Medway campuses.
- This has proved to be an excellent event, supporting students who are interested in applying for the course in September 2018. The cost is **£35 for two days**, including lunch, certificate and a conference pack.
- Those interested can **apply via the link** below, and as this event includes support on the interview process, it is invaluable for potential applicants.

<http://www.canterbury.ac.uk/midwifery-canterbury-conference>

# GRAPHIC DESIGN SUMMER SCHOOL

- If you study **Graphic Design** at University you might go on to be any number of things from typographer, illustrator, animator, book designer, web designer, film maker, the list goes on....
- During this **three day** summer school you will learn how it is the designers responsibility to communicate with an **audience**. The workshop will give you the opportunity to use the power of **design** to communicate a **message**. The question is what will you do with that power?
- Students will get to **exhibit** their work at the end of the project, and will leave with work to include in their **portfolio** applications for FE/HE courses.

**DATE AND TIME:** Wed, 11 Jul 2018, 10:00 –  
Fri, 13 Jul 2018, 16:00 BST

**LOCATION:** Ravensbourne - London

**To book tickets visit this website:** <https://www.eventbrite.co.uk/e/graphic-design-summer-school-tickets-44224675194>
